5. The faculty of IGSL are committed to and teach the following position regarding the ministry of the Holy Spirit:

The baptism of the Holy Spirit occurs at the moment a person places his/her faith in Jesus Christ as Savior and Lord. At that time the individual is baptized into the body of Christ (1 Cor. 12:13) and is continually indwelt by the Holy Spirit (Rom. 8:9). The filling of the Holy Spirit, however, may recur many times. It occurs when an individual, realizing he/she has taken control of his/her life through deliberate sin, confesses that sin, yields to control of the Holy Spirit, and by faith appropriates the power of the Holy Spirit in his/her life. If this is done in sincerity, the individual can know that God has answered his/her prayer and filled him/her with His Spirit by faith (1 John 5:14-15; Eph. 5:18). *Thus the key to the supernatural, victorious Christian life is found consistently appropriating the filling of the Holy Spirit in one's daily life.* Such manifestations of the Holy Spirit as speaking in tongues, while occurring in the New Testament, cannot be said to be the norm for every Christian or proof of the filling of the Holy Spirit. We are filled solely on the basis of grace through faith.
